Mālama Hulē‘ia “Breakthrough”

Our excavator, operated by Bryan Vallet, is doing quick work in taking down the mangrove around Alakoko Fish Pond. Today the machine broke through to the pond. This is an important accomplishment because we will eventually use this path to enter the pond with floating equipment that can tackle the mangrove from the water as well as from the land.

Meanwhile, the Menehune are nearing the first break in the wall of the fishpond, where there is also a break in the mangrove. They expect to reach the water there in one or two more workdays.

Of the things we think, say or do:

The 4 – Way Test

Is it the truth?

‘oia`i`o i keia `ōlelo?

Is it fair to all concern?

kūpono ia kākou?

Will it build goodwill and better friendships?

kūkulu loko maika`i a me, pilialoha maka`i a `e?

Will it be beneficial to all concerned?

pono ia kākou?

“Rotary is a leadership organization”

“We’re made up of local business, professional, and civic leaders. We meet regularly, get to know each other, form friendships; and, through that, we’re able to get things done in the community”.
