This week's speaker—Lyla Berg

Sex Trafficking of Teens in Hawai`i

Most likely by now you are aware of human trafficking is the number two crime internationally. Illegal drugs is still number one. It use to be illegal weapons sold on the black market, but trafficking has this crime. Human trafficking include labor (slave) as well as sex trafficking. The latter is a large percentage of the known problem.

You may of also heard that last week in California, law officials made arrest of hundreds of criminals that are in sex trafficking. Also arrest were made in the Atlanta, Georgia area a few days before super bowl.

Unfortunately, the Hawaiian Islands is a hot bed for sex trafficking of young girls. The sex traffickers entice young girls as young as middle school age. High schools and middle school girls are the prime target.

Lyla Berg is developing a program to stifle the growth of this crime as well as providing an avenue for these children to take a path that is not criminal. Her talk will center around some of the innovated ways she and others are solving this problem on our islands and in the community.

Rotarian Lyla has been working with children most of her life. She has been in education (D.O.E.) for years and is the past Principal of a Molokai School. She has also developed Rotary Youth Leadership Awards (R.Y.L.A.) programs for our District. Most recently she has had her own consulting company.

The 4 – Way Test

Is it the truth?

‘oia`i`o i keia `ōlelo?

Is it fair to all concern?

kūpono ia kākou?

Will it build goodwill and better friendships?

*kūkulu loko maika`i a me,

Will it be beneficial to all concerned?

“Rotary is a leadership organization”

“We’re made up of local business, professional, and civic leaders. We meet regularly, get to know each other, form friendships; and, through that, we’re able to get things done in the community”.
