### Friday's Program – Life Saving Training

### C.P.R. & A.E.D. Training

This Friday we will learn how to save lives with health equipment that is available. We have at the yacht club an Automated External Defibrillator or A.E.D. Medical personnel tell us that A.E.D.s are often found in many cities around the world. They alone count for many lives saved when a heart attack occurs.

The other procedure is something you most like have seen

on T.V. Getting someone to breath again. This could be a real education to most of us.

### Our Clubs H.R.Y.F. recipient wrote to President Jim

Good evening Mr. Mayfield,  
I have been accepted and planning on going to Georgia Tech. I want to thank you again for the scholarship. We've been looking at how much its gonna cost, and may I say, it's a lot. Thanks to this scholarship and some financial aid, I can worry a little less about paying it off.  
Thank you,

This is Malia Chun's report of the second of a series of Kupulau camps being held at Alakoko Fishpond.

On March 9-10th, Nā Pau No`eau students conducted their third Kupulau Camp in partnership with Mālama Hulē`ia, The Surfrider Foundation and Kaiola Canoe Club. During this 2-day, residential camp, students from the moku of Puna participated in a variety of STEM activities. These activities include; water quality testing, recording the topography of the perimeter of Alakoko Fishpond, conducting cultural protocol at the base of Hā`upu, zip lining with Outfitter's Kaua`i and helping to prepare an imu for the amazing crew of volunteers and board members of Mālama Hulē`ia.

In the next few months students will continue to collect valuable data that will help in future revitalization efforts of Alakoko and Hulē`ia and will continue to gain a deeper knowledge and respect for the history of the ahupua`a of Ha`ikū. Mahalo nui to all of our partners for providing cultural enrichment opportunities for our io of Kaua`i.

Of the things we think, say or do:  
The 4 – Way Test  
Is it the truth?  
*'oia`i`o i keia `ōlelo?*  
Is it fair to all concern?  
*kūpono ia kākou?*  
Will it build goodwill and better friendships?  
*kūkulu loko maika`i a me, pilialoha maka`i a`e?*  
Will it be beneficial to all concerned?  
*pono ia kākou?*
