Choosing hospice sooner rather than later!

Dr. Nancy Long is the medical director at Kaua`i Hospice. Prior to starting at Kaua`i Hospice in April 2019, she served as medical director at Hospice Maui for 10 years. She is board certified in Family Medicine and in Hospice and Palliative Medicine. She has been a hospice physician since 2002 and is passionate about providing compassionate, culturally sensitive, quality hospice and palliative care to our community.

Lori J. Miller is in her 12th year serving as the Executive Director for Kaua`i Hospice. Her entire professional career has been in the nonprofit sector spanning close to 30 years. She is an Advanced Certified Hospice Executive and a 2012 graduate of the Hawai`i Community Foundation's PONO Leadership Program. Additionally, Lori is a Weinberg Fellow Alumni from the Class of 2001.

Lori relocated from Tennessee to Honolulu in 1999 where she was hired as the Executive Director for the AIDS Community Care team until the Fall of 2002. At that time she relocated to Kaua`i to serve for five years as the first Chief Operations Officer for Ho`ola Lahui Hawai`i and the Kaua`i Community Health Center, until being hired in her present position with Kaua`i Hospice.

Letter from the Kaua`i Police Department

Crime Stoppers Kaua`i sent our club a letter for our \$1,000 donation to support this program. The funds are used to help the crime stopper's efforts to solve cases from tips received that identify and locate criminals which they forward to law enforcement agencies to make an arrest. Donations fund the Crime Stoppers reward program.

Of the things we think, say or do:

The 4 – Way Test

Is it the truth?

‘oia ‘i ‘o i keia ‘ōlelo?

Is it fair to all concern?

kūpono ia kākou?

Will it build goodwill and better friendships?

kūkulu loko maika ‘i a me, pilialoha maka ‘i a ‘e?

Will it be beneficial to all concerned?

THE ROTARY FOUNDATION

Global Grant Changes

The Trustees of The Rotary Foundation agreed in January to increase the maximum [global grant](#) award by doubling the maximum amount of World Fund money available for a global grant to \$400,000. The Trustees also raised the threshold at which they review a global grant application. They will now review an application if the grant would use more than \$200,000 in World Fund money. These changes will take effect 1 July.

On 1 April, The Rotary Foundation introduced a new type of grant: **Rotary disaster response grants**. These grants, funded by contributions to the Rotary Disaster Response Fund, support relief and recovery efforts in areas affected by disaster. Qualified districts in the affected area or country may apply for a maximum grant of \$25,000, pending availability of funds. They may apply for additional grants after they report on any previous disaster response grants. To apply, the district governor and district Rotary Foundation chair complete the [Rotary Disaster Response Grant Application](#) and send it to grants@rotary.org

Coming soon: grant management resources in Rotary’s **Learning Center**. Find courses on making your project sustainable, conducting community assessments, planning effective projects, managing grant finances, qualifying your club for Rotary grants, reporting on grants, and much more. Courses will be available in all of the most common Rotary languages, including Swedish and Chinese. The English courses will be available in early July, and the other versions will be ready by August.
